

# The Children's Museum Home School Series

## Fall 2017 Semester Registration Form

***(September 11, September 25, October 16, October 30, November 13, November 27, & December 11)***

1. Student Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_ Grade: \_\_\_\_\_

The following best describes my student:

- Little Scientist** – My student would benefit most from a parent/child class with limited direct instruction and a lot of hands on investigation as well as play time. He/she is between three and five years old and is ready to enjoy a preschool style group environment.
- Level A** - My student can listen to brief lessons and follow simple instructions. He/she is excited to participate in hands on investigations safely. He/she may or may not have some basic reading or writing skills but can draw or write a response to an investigation. (Usually ages 5-7 and/or grade K-1)
- Level B** - My student has basic reading and writing skills (can read basic instructions and write short responses and summaries of investigations). He/she can listen to slightly longer lessons and follow multi-step instructions. He/she is excited to participate in hands on investigations safely and with slightly more independence. (Usually ages 7-9 or grades 2-3)
- Level C** - My student has more advanced reading and writing skills (can read more complicated instructions and write longer, paragraph-length responses to investigations). He/she can listen to in-depth explanations of scientific phenomenon and follow multi-step instructions. He/she is excited to participate in hands on investigations safely and with a degree of independence. (Usually ages 9-12 or grades 4-6)
- High School Level** – My student is working at a minimum of a seventh grade level in science. He/she has a solid background in science and math and is ready for a new challenge.

I would like to register my student for:

- Little Scientists + Museum Membership (September-December) = \$140**
- Elementary or Intermediate Series Level A, B, or C: Three Tracks + Membership (September-December) = \$252**
- Elementary or Intermediate Series Level A, B, or C – One Track Only = \$105**
  - Engineering and Design
  - Physical Science
  - Natural Wonders
- High School Level = \$168**
