

# Summer Vacation Science Camp

## the children's museum

Celebrating  
**90**  
Years

Join us for action-packed days of scientific investigations, Museum exploration, amazing planetarium shows, and up-close encounters with live animals.

### June 25-29 Cold-Blooded Creatures

Salamanders, turtles, snakes and frogs! Campers will have opportunities to interact with many amphibians, reptiles and insects.

### July 2-6 Make Earth Great Again (no July 4)

This week is perfect for adventurous children who love nature. Campers will investigate the outdoors and learn how to protect our special planet.

\*Cost: Full Day \$236/wk Members, \$260/wk Non-Members; Half Day \$148/wk Members, \$160/wk Non-Members

### July 9-13 Outdoor Survival

Spend the week learning important survival skills, including identifying animal tracks, using a compass, and building shelters.

### July 16-20 Animals in the Woods

Join us for a week learning about animals that live in our backyards, including turtles, snakes, butterflies, and Dorian the opossum.

### July 23-27 Super Science

A week filled with interactive experiments, including making liquid nitrogen ice cream. Explore chemistry, engineering, biology & more through building structures, creating chemical reactions, and other astonishing experiments.

### July 30-August 3 Mammals

Campers will have hands-on experiences with several furry friends, including our chinchilla, guinea pigs, hedgehog, groundhog, opossum, and more!

### August 6-10 Animal Keepers

Go behind the scenes and help us care for animals. Activities will include preparing food, feeding and exercising animals. A veterinarian will be here to teach us about keeping animals healthy and how to care for injured animals.

### August 13-17 Superhero Science

Discover the real science behind some of your favorite superheroes, and use your creativity to create your own comic book.

### August 20-24 To the Extreme

Join us for a high energy, action packed week of end-of-the-summer fun, filled with obstacle courses, relay races, and scavenger hunts throughout the museum. \* Please note obstacle courses will be made of safe materials including hula hoops, cones and pool noodles.
