

Vacation Science Camp

the  children's museum

Join us for action-packed days of scientific investigations, Museum exploration, amazing planetarium shows, and up-close encounters with live animals.

September 30th
Rosh Hashanah

Animals in the Woods – Join us for a day learning about animals that live in our backyard including turtles, frogs, groundhogs, and snakes.

October 9th
Yom Kippur

Mammals! – Have a blast learning about furry animals for the day. Campers will have a chance to interact with many of our mammals including our chinchilla, guinea pig, rabbit and ferrets.

October 14
Indigenous Peoples Day

Science Experiment Challenges - Up for a challenge? Campers will use their imagination and engineering skills while spending the day participating in exciting science challenges.

November 5th
Election Day

Animal Keepers - Help us care for our sanctuary animals, including exercising, feeding and checking the health of a variety of animals. Sign up early, limited space available!

Keep an eye out for our upcoming spring/summer camps, or call for more information
