

Vacation Science Camp

the  children's museum

Join us for action-packed days of scientific investigations, Museum exploration, Amazing experiments, and up-close encounters with live animals.

Monday September 28 Yom Kippur **Superhero Science!** - Do you have what it takes to save the day? Use the good of science to help us defeat the evil villains. We will use STEM topics to study superpowers like speed and strength as well as creating our own superhero gadgets. We will also learn about our animals' superpowers.

Monday October 12 Indigenous Peoples Day **Science Experiment Challenges** - Up for a challenge? Campers will use their imagination and engineering skills while spending the day participating in exciting science challenges.

Tuesday November 3 Election Day **Animal Keepers** - Help us care for our sanctuary animals, including exercising, feeding and checking the health of a variety of animals. Sign up early, limited space available!

During Vacation Science Camp all animals will be presented in ways to minimize possible spread of the virus.

For further information on our COVID-19 policies, please go to our website and find this program under the Programs tab.
