

# Vacation Science Camp

the  children's museum

Join us for action-packed days of scientific investigations, Museum exploration, amazing planetarium shows, and up-close encounters with live animals.

- Friday April 10**      **Mars Day** - Come for the day and learn about the Red Planet. Campers will watch a planetarium show, learn about rovers and design a Mars base.
- Monday April 13**      **Inventor's Workshop** - Join us for a day full of hands-on inventing activities including creating your own jumping device, and creating a maze for our sanctuary animals.
- Tuesday April 14**      **Reptiles and Amphibians** – Join us for a day learning about snakes, lizards, turtles, frogs and amazing salamanders.
- Wednesday April 15**      **Shocking Science** – Campers will spend the day conducting electricity experiments, including a hair-raising Van De Graaff experience!
- Thursday April 16**      **Animals from around the world** –Spend the day meeting animals from different continents and habitats, including our tropical tortoises and our desert dwelling bearded dragon and blue tongue skink.
- Friday April 17**      **Furry Friends** – Have a blast learning about mammals for the day. Campers will have a chance to interact with many of mammals including our chinchilla, guinea pigs, rabbits and ferrets.
- Tuesday April 28**      **Tiny Animals** – Join us for a day learning about small creatures, including hedgehogs, insects, frogs, and geckos!
