

2021 COVID-19 Museum General Admission Terms and Conditions

This waiver addresses the COVID-19 pandemic. Please read it carefully.

New COVID-19 Related Measures

In light of COVID-19, The Children's Museum is taking enhanced health and safety precautions as set forth by the State of Connecticut, the Centers for Disease Control and Prevention ("CDC"), and other applicable agencies. We are using our best efforts to act responsibly and reasonably to do what is within our power to prevent the spread of disease.

Some of these new safety precautions will be apparent to you, and will affect hours of operation, admission, exhibit availability, occupancy, and more. We summarize some of them below:

Hours of Operation: The Museum hours of operation will be as follows, subject to change, please see our website for most recent updates and hours:

Wednesdays: 2 timed ticket slots, 9:30 am-11:30 am and 1:30 pm-3:30 pm

Fridays: 2 timed ticket slots, 10:00 am-12:00 pm and 12:00 pm-2:00 pm

Saturday & Sunday: 3 timed ticket slots, 9:30 am-11:30 am, 11:30 am-1:30 pm. 1:30 pm-3:30 pm

Admission: Tickets **must be pre-purchased online** for a timed session before entry into the museum is allowed. Admission is \$8.00 for Adults, Seniors, and all children ages 2 and older.

Infants under 2 years of age are free, but MUST still be counted in the number of individuals in your party. Members of The Children's Museum will have to reserve their time for all individuals (Adults, Children and Infants), and their membership discount will be applied at checkout to those on the membership.

Exhibit Availability: In order to keep our guests and staff safe while they are in the museum we have opened only those areas of the museum that are less likely to encourage the spread of the COVID-19 virus. We have created a flow through the museum that will allow guests to enjoy all of the available exhibits while ensuring proper social distancing. We have added social distancing markers around the museum to help our guests maintain safe distances, and we have limited the occupancy of each exhibit area and other spaces throughout the museum.

Occupancy: In accordance with the health and safety precautions set forth by the State of Connecticut we will be opening at reduced capacity. Tickets for each timed session will be limited.

Illness or Exposure to illness: Guests must stay home if they are sick, or if they have been exposed to others who are sick.

Group size: Group size is limited to a **maximum of 6 individuals** (Adults & Children over 2 yrs)

General health and safety measures: Guests and staff are **required to wear masks at all times and mask must cover both your mouth and nose.** We require frequent hand-washing/sanitizing for all staff, and encourage guests to do the same. We will be enforcing social distancing and mask wearing. We have developed a schedule and protocol for intensified cleaning and disinfection per CDC guidelines. The Children's Museum is following the many other guidelines issued by State of Connecticut, and the CDC.

Acknowledgment and Release

The Children’s Museum has taken enhanced health and safety measures to protect our guests, staff and any others who come on site. We have described some of them above. We expect all guests and staff to comply with these new measures.

Despite our efforts, an inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and or even death. The Children’s Museum has put in place measures to reduce the spread of COVID-19; however, The Children’s Museum **cannot guarantee** that our guests and staff will not become infected with COVID-19. Further, visiting The Children’s Museum **could increase** the risk of contracting COVID-19.

By visiting The Children’s Museum, you acknowledge the contagious nature of COVID-19 and voluntarily assume all risks related to exposure to COVID-19. You agree - on behalf of yourself and your guests/members of your group - to release and waive The Children’s Museum, including its officers, directors, agents, employees, volunteers, from any claims or causes of action arising out of or in any way related to your attendance at The Children’s Museum and the contraction by yourself, family member, or other person of COVID-19.

I have read the above Acknowledgment and Release. I agree to abide by these new rules and regulations.
