

2020 Fall Morning Science Enrichment

the children's museum

Join us for action-packed mornings of science, activities, animals and much more.
Each theme repeats to accommodate the on and off in-person schedule of West Hartford schools this fall

2 Day

Sept 8 & 9

Sept 10 & 11

Secret Science

Find out about awesome science and nature phenomenon happening all around you. From things so tiny you can't see them with your eyes, to well beyond your reach way up in the sky.

WEEK

Sept 14 - Sept 18

Migrating Animals

Now you see them, now you don't. Find out what animals fly the coop when the weather turns cold in the fall. Also, find out about animals the stick around and how they prepare to rough it through winter.

Sept 21 - Sept 25

Sept 29 - Oct 2

(4 day week)

Science in Motion

Join us learning about different principles that help us go up and down and side to side. We will construct and experiment with objects that move, fly, and jump off the ground. Help our animals get moving as well with enrichment activities for visitors from our wildlife sanctuary.

Oct 5 - Oct 9

During the Fall enrichment all animals will be presented in ways to minimize possible spread of the virus.

For further information on our COVID-19 policies, please go to our website and find this program under the Programs tab.
