

The Children's Museum & Roaring Brook Nature Center Educator Program Guide

2022

Three Entities, One Great Team!

Offering comprehensive programming for children of all ages for over 90 years, The Children's Museum Group is proud to find new ways to meet the ever-changing needs of the times. We are looking forward to helping you ignite the spark of excitement in the students that you teach however the program is delivered.

Three Ways to Learn with The Children's Museum Group!

Field Trips

Our doors are open! Visit The Children's Museum in West Hartford or Roaring Brook Nature Center in Canton for a hands-on, minds-on field trip experience.

Field Trips to **The Children's Museum:**

- up to a 2 hour visit including a 45-minute program of your choice featuring the Gengras Planetarium, live animals, STEM demonstrations, or hands-on experiments

Pricing: \$10/student; Teacher/School Staff FREE with a \$250 minimum for a Planetarium program; \$150 minimum for all other program options; \$8 for any additional chaperones; Max. group size: 75 visitors

Field Trips to **Roaring Brook Nature Center:**

- up to a 2 hour visit including a 1 hour and 15-minute program of your choice featuring live animals, local ecosystems, and outdoor exploration

Pricing: \$9/student; Teacher/School Staff FREE with a \$115 minimum; \$6 for any additional chaperones; Max. group size: 60 visitors

The Children's Museum Group follows all CDC and local health department recommendations to keep all our visitors and staff safe.

Outreach

Bring the magic of the Museum and Nature Center into your classroom with an outreach program. Choose from over 60 options, ranging from live animals and engineering to chemistry and geology—all designed to enhance your S.T.E.A.M. curriculum.

- 45-minute program for up to 30 students

Pricing: \$225 plus mileage

Virtual

Ready for a one of a kind virtual experience? Take a trip through the solar system, meet your new favorite animal ambassadors, and so much more all online in our engaging and interactive programs. With three different live virtual formats available, we can make learning fun even through the screen.

- 45-minute program for up to 30 students

Pricing: \$200

- 45-minute assembly for up to 100 students

Pricing: \$350

- 90-minute STEM Night for up to 100 families

Pricing: \$500
